About Us

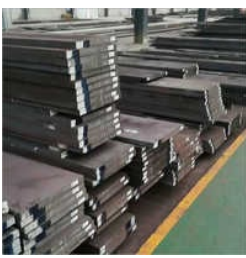

We, Shree Balaji Steel, laid the foundation stone of our venture in the year 2012. Before we started serving customers, we conducted in-depth research work to get a better knowledge of the respective domain. We have identified the best manufacturers in the industry and tied a knot with them. Today, our supplier and trader company is serving nationwide customers with quality products including P-20 High Hard Steel, 2311 P20 Steel, 2738 P20 Steel, HCHCR Die Steel, EN19 Steel, EN36 Case Hardening Steel, 2738 P20 Steel, etc.

The guidance of Mr. Sanjay Jain is showing the right path to our professionals so that they can attain company goals easily and ethically. We believe that team is the most important asset of every firm and we give importance to their development and growth, which helps us to maintain a healthy corporate relationship with them. Apart from being an employee-centric firm, we are a customer-driven company and implement all those steps that can help us to strengthen our bond with them. We have received many certifications and membership for various entities for instance ISO certificate, Mayapuri Industrial Welfare Association, etc. Our company is constantly working hard to earn more and more certificates on the benchmark of excellence.
